

Minecraft Whitelisting Guide

This Guide was made for Mumei's Civilization and Shiori's Library. You can however use this if you use the EssentialsX Discord Link plugin.

Acquiring your roles

Both Mumei's Civilization and Shiori's Library offer a range of Reaction roles, among these are the Owlcrafter (for Nanashi Kensetsu) and Architect (for Library Blueprints) role.

You will need to react to the corresponding roles for the respective servers to gain access to the minecraft channels locked behind the role.

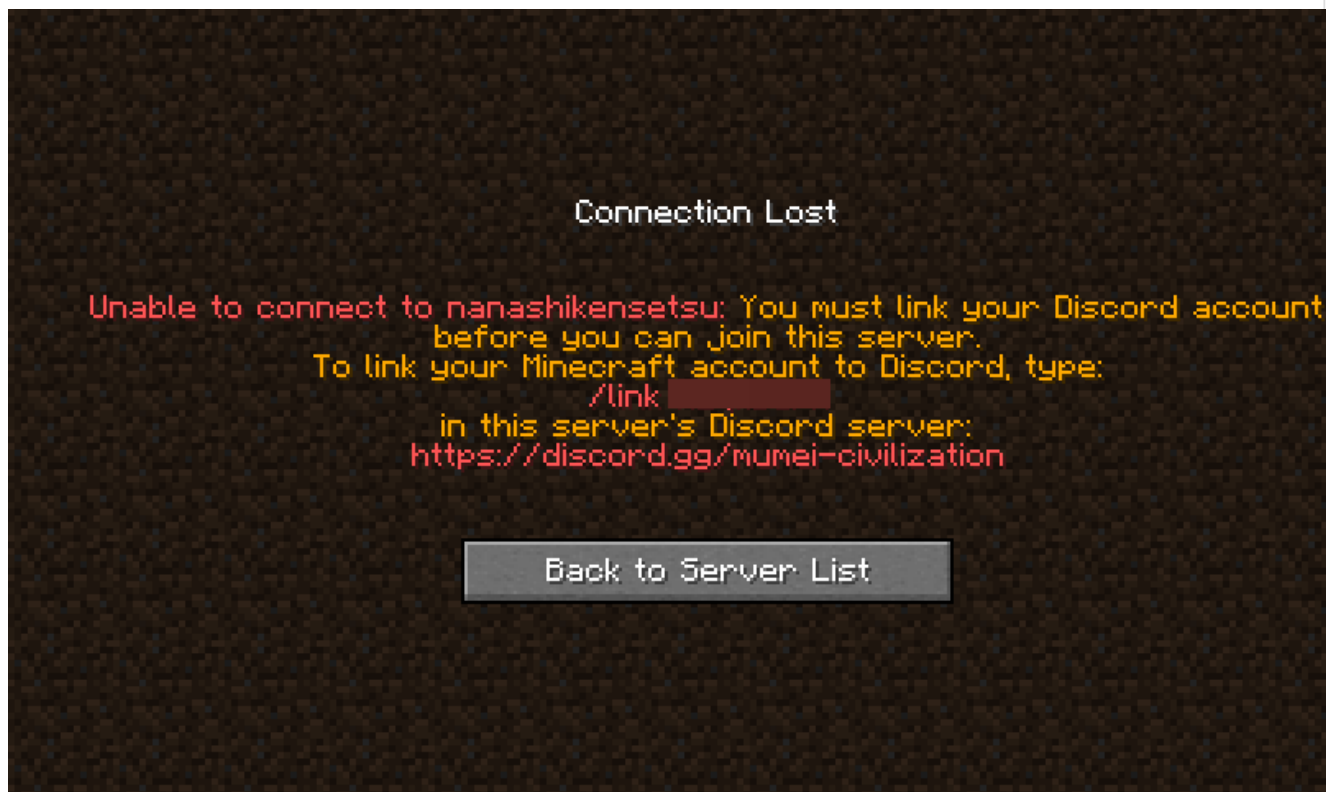

Getting whitelisted

On top of needing the base Minecraft role, we also require that you link your account using our Minecraft bots.
